

EU Mission Adaptation to climate change

18 June, 2024

Wrocław University of Science and Technology

How does it work?

We cordially invite you to join the EU Mission on Adaptation to climate change Unite! Widening Workshop, the aim of which will be to present the possibilities of participating in the EU Mission Adaptation to Climate Change programs and calls.

Our multi-actor and multifaceted knowledge exchange will pave the road to formulate strategic research priorities for the Widening countries, willing to expand their participation in research and development activities, with particular focus on top research priorities for Poland and Portugal.

Funded by
the European Union

Check the complete programme here.

Participation in the event is free of charge, however filling the registration form is required.

Please register here in order to participate: EU Mission on Adaptation to climate change Widening Workshop.

Use the following link for the online presence.

- The meeting will take place on June 18th (planned meeting time 9:30 a.m. – 1:30 p.m.) at the Wrocław University of Science and Technology and will be conducted in English, in a hybrid mode.
- It will also be an opportunity to establish research cooperation with partners from several EU countries. The special guest of the event will be Elina Bardram, a Manager of Mission Adaptation to climate change and Director in DG CLIMA.
- The project has been conceived to be a complementary project under the umbrella of the European University Alliance Unite!
